

Demian es una de las novelas mas bellas e interesantes de Hermann Hesse. La Historia de la juventud de Emil Sinclair es una novela que relata en primera persona el paso de la ninez a la madurez de este personaje del escritor aleman Hermann Hesse. Emil Sinclair es un nino que ha vivido toda su vida en lo que el llama el Scheinwelt (mundo de ensueno o mundo de la luz), pero una mentira lo lleva a ampliar sus visiones del mundo y a conocer un personaje enigmatico de nombre Max Demian que lo llevara por los senderos del auto-razonamiento destruyendo paradigmas materialistas que antes lo rodeaban.
