

I never asked to be saved. From bestselling author, Olivia Jones, comes a new standalone novel... Alice My life had gone down a dark path. There was a secret I had to keep. Locke Matthews would do anything for that information. Id seen his type before: tattooed, arrogant, and always looking to get laid. I couldnt let him get too close. But his lips against mine and strong hands all over me. My body would betray me... Enforcer is a standalone with no cliffhangers and a guaranteed HEA. For a limited time only, Mason is also included with this novel.
