

[Siren Classic ManLove: Erotic Alternative Romance, M/M, HEA] First and goal. Three years ago, football star Griff Parker shared a locker room sexual encounter with brainy scholarship kid Raj Mehira. That stolen blow job turned Griff's worldview upside down, unlocking desires he wasn't ready to face. Now a senior, Griff's working in Holsum College's biology lab, where he's in direct contact with his freshman crush. Raj wants nothing to do with him or the memory of that afternoon. Too bad. Griff's falling hard for Raj, battling his way past every one of his sexy scientists' defenses. Raj Mehira knows he's gay. But he's locked that knowledge tightly inside and has no desire to change that. But he does have desire for Griff. In a big way. Now he's experimenting with Griff and inching closer to the closet door. Double overtime. Two deeply closeted guys. Two hearts on the line. One term to change everything. ** A Siren Erotic Romance
