

This is book 5 in the Texas Heat series and it features the lively Oâ€™Connor family, who work hard and love hard. When her husband leaves her for a younger woman, taking with him the company sheâ€™s worked so hard to build, the tabloids go crazy. Desperate and in search of an escape Honey Whitmore finds herself at Circle O, the Oâ€™Connor family ranch. Even though she has worked on Wall Street since graduating from college, she takes a job as a ranch hand, seeking only oblivion. Caleb Oâ€™Connor is an entrepreneur and heâ€™s at Circle O to help them transition into grass fed organic beef. The first time he sees Honey he falls for her without reservation, but Honey is hurting and she has no time for men. Caleb does not give up and he finally gets Honey to notice him. Honey gradually finds healing and in the process she discovers that Caleb is really her knight in shining armor.
