

I feel like Ive been wearing blinders for my entire life and now theyve been ripped off and everythings too bright - too harsh. Part of me wants them back so I only have to see whats right in front of me. --Logan After Logan Bradshaws dreams go up in smoke, hes left broken and haunted by a cruel betrayal from his former business partner, a man he once thought of as a friend. His life as a professional escort helped pay for his future once, so maybe a few more jobs can give him back what hes lost. And if that means being a third for one night for a wealthy couple living out a menage fantasy, then so be it. It might just be the final payout he needs to get his life back on track. Dominic Barretti has everything money can buy, but it cant save his beautiful young wife as cancer steals her away from him. He also cant deny her one last request - a menage encounter with another man. Its the perfect excuse to meet the man whos been haunting his dreams. On paper, Logan is the perfect choice to give his wife what she needs, but he doesnt expect his own fierce desires to flare up when the young man enters their lives. Dom and Logan dont know it, but Sylvie Barretti has decided to play matchmaker from beyond the grave. Unfortunately, getting two broken men to find each other makes dying seem like the easy part. Logan cant deny his attraction to Dom, but the surprise desire for another man has left him reeling and questioning everything hes ever known about himself. But when a threat from the past surfaces, will Logan be able to let go of the life he knew and embrace the one he needs?
