

Once you've had a wolf shifter (or two, or four), things will never be the same... In this steamy new box set, get your fix of alpha pack sexiness with three of Leona Bones best selling stories. Within these pages, half men, half wolves battle it out for the curvy and untouched women that they love. Sometimes not even one wolf is enough -- sometimes it takes two, or even four shifters at once. Wolves need mates, and their packs need pups. Good thing the willing ladies are ready to take their fertile seed...
