

This is the first book in the "Tender Lovers"™ Series by Katelyn Skye. This series brings you a potent mix of romance and deep passion, leaving you wanting for more as you get deeper into the lives of the characters, Travis and Alexis. Attorney Alexis Stuart has never had time for fun, or love. Her career has always been enough. When she decides to take a summer between jobs to return to her oldest love, horses, she expects to end up in a barn, not in bed with her boss. Travis Allen seduces Alexis with his modern cowboy charm, bringing to the surface some of her most secret wishes and desires. Once her fiery passions have been rekindled, she'll face decisions not only about her career path, but also the path of her heart. Will Alexis finally find the true path of her life, or will she choose to run away and forget the deep passions brewing inside her, the ones that only Travis can bring to life? This series is a contemporary romance featuring searing and graphic depictions of romantic activity.
