

For well over thirty years, Eric P. Kelly's Newbery Award winner has brought the color and romance of ancient times to young readers. Today, *The Trumpeter of Krakow* is an absorbing and dramatic as when it was first published in 1928. There was something about the Great Tarnov Crystal.... Wise men spoke of it in hushed tones. Others were ready to kill for it. Now a murderous Tartar chief is bent on possessing it. But young Joseph Charnetski was bound by an ancient oath to protect the jewel at all costs. When Joseph and his family seek refuge in medieval Krakow, they are caught up in the plots and intrigues of alchemists, hypnotists, and a dark messenger of evil. Will Joseph be able to protect the crystal, and the city, from the plundering Tartars?
